

DATASHEET

**ROTATABLE WALL MOUNT (TWM II)**  
FOR P / PB XX LOUDSPEAKER SYSTEMS

The **rotatable wall mount (TWM II)** for **P / PB xx loudspeaker systems** from the **Pan Accessories series** can be used to accommodate the P / PB xx models of the **Pan Beam, Pan Speaker, Pan 2-Line and Pan AMT loudspeaker system range**.

The accessory is made of steel and can be powder-coated to match the colour scheme of the loudspeaker. The wall mount is designed for secure mounting of the loudspeakers to wall surfaces and can only be detached with tools.

The wall mount is attached to the loudspeaker via the rear slot. One mounting unit is attached to the top of the loudspeaker and one to the bottom of the loudspeaker. The wall mount is supplied as a set.

The wall mount provides a horizontal speaker swivel range of +/- 95°. The wall mounting bracket can be attached to the wall with either the long or the short leg in order to realise corresponding wall distances or also a lateral mounting of the loudspeaker.

**EQUIPMENT / OPTIONS**

See last page for explanation of the symbols.

**APPLICATIONS**

Wall mounting

All **Pan Acoustics** loudspeakers and the corresponding accessories are designed, developed and manufactured in Germany by Pan Acoustics according to strict criteria and with high-quality materials.
